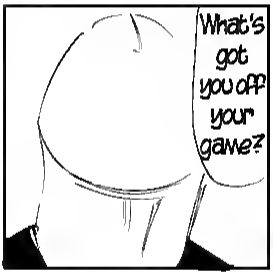
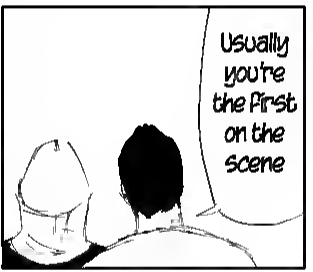
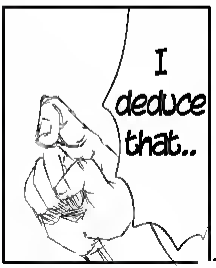
What's up, Peeny?
Shoh Harime
AKA Passionman



What's got you off your game?

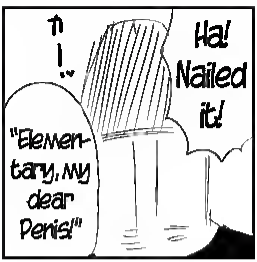


Usually you're the first on the scene

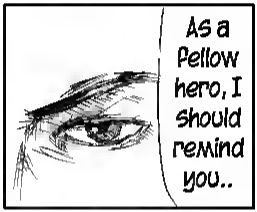


I deduce that..

Shall I guess for you?



Ha! Nailed it!
"Elementary, my dear Penis!"



As a Pellow hero, I should remind you..

You fell for a girl!

Our first love must always be JUSTICE!

I knew you'd say that..
Ones your fists cannot defeat.
Romance holds untold perils all its own..
Just try to keep it in mind.
Now, I'll tell you some-thing as a friend..
I want to hear all about her!
Come on, now!
